

Hiking and Biking in Livingston County is easy, fun, healthy and FREE.

The Hiking & Biking Guide is as unique as the hiking and biking trails it will lead you to.

The guide is a series of four sided cards, each representing a different hiking trail or biking trail in Livingston County. All the cards are held together with a convenient carabineer.

Review your options, detach a card, get healthy on your hike or bike, reattach that card and chose another. Complete them all and don't be concerned, we intend to develop and add more trails as time goes on.

Each card includes maps and directions ... there are also suggested places to eat, where to stay, and what to do here in Livingston County!

The Hiking & Biking Guide Card Sets are available at the
Livingston County Chamber of Commerce

4635 Millennium Drive (Rt. 20A)

Geneseo, NY 14454
